**FY 11 2011 – 2014 TIP**

Dr. Gillespie stated that he had more time to think about the day and time change for the meeting times for CTC. He does not agree with the change and would like the meetings to remain as they are scheduled now so that he would not have to come in for meetings two days in a row. Mr. Ngwafu agreed. Mr. Hamilton did point out the note that agendas are subject to change and the meeting times could change.

Mr. Hamilton stated that the TIP was good for four years but it is updated every year so, the projects have not changed. Dr. Gillespie asked if the projects in the TIP were listed by priority and Mr. Hamilton stated that they were not.

Dr. Gillespie asked about the Broad Avenue bridge. Mr. Hamilton said that it was a DOT project and work should begin in 2012. It would be two lanes with enough room for sidewalks and bike and pedestrian lanes.

Mr. Hamilton added that the TIP and all other related DARTS documents could be found on the website [www.dartsmmpo.org](http://www.dartsmmpo.org)

**ADJOURNMENT**

There being no further discussion, the meeting was adjourned at 8:51 a.m.
