RE: FY 2013-2016 Transportation Improvement Program – Changes to Lump Sum Funds and Cost of Project 432092

Dear Mr. Rogers:

In response to a request from the Georgia Department of Transportation and with the new Transportation Bill, Moving Ahead for Progress in the 21st Century Act (MAP-21) we have made the following amendments to our DARTS MPO FY 2013-2016 (PC Approved) Transportation Improvement Program (TIP).

The requested financial changes in the Lump Sum funding amounts and the Cost of Project 432092 have been incorporated into the FY 2013-2016 PC Approved TIP.

The requested changes fall under the “administrative modification” guidelines in the STIP/TIP amendment process and does not require a public comment period or re-adoption of the document. The amended FY 2013-2016 TIP will be made available on our website at www.dartsmpo.org.

Please contact me if you have any questions.

Sincerely,

Tracy Hester
Acting Director of Planning and Development Services
